

To prepare for your student's year at Longleaf School of the Arts, below is a Fee Schedule for the 2019-20 school year. We recognize households have a number of expenses at the start of a school year, consequently Student Fees and Senior Dues may be paid as you are able. Please note - unpaid Student Fees/Senior Dues, may prohibit your student from attending major school events (i.e. Lock-in, Winter Formal, Prom). Fees should be paid online through Charter Pay (credit card and check). Cash payments may be made in the front office.
