

LONGLLEAF SCHOOL OF THE ARTS

Certified Teacher – Exceptional Children
Full Time

Longleaf School of the Arts is a North Carolina public charter high school. We are a college preparatory school focusing on the fine arts. Our mission:

Longleaf School of the Arts will develop students into confident, responsible, and successful contributors in college, career, and community through mentorship and a challenging curriculum that integrates academics and the fine arts.

Job Summary:

The Exceptional Teacher position will be responsible for implementing student IEPs, having a caseload of students to supervise, co-teaching in an inclusion class in the areas of NC English I, II, and III; Math I, II and III and other duties as assigned.

Job Description:

- Responsible for creating IEPs and hosting as both the EC teacher or as LEA at times
- Co-Teaching ICR English and/or ICR Math
- Run a successful Curriculum Assistance class
- High level of understanding on how to use technology in the classroom; Longleaf is a 1:1 school
- Provide individual and small-group instruction to adapt the curriculum to the needs of students with varying intellectual abilities, and to accommodate a variety of instructional activities
- Utilize Bloom's Taxonomy and gradual release to structure student activities and assignments and ensure instructional practice is current with "best practices" learning theory research
- Ensure instructional practice and curriculum foster critical inquiry, analysis and evaluation
- Construct and/or use courses, units, and lessons that integrate knowledge
- Prepare lessons that reflect differentiation in student learning styles and abilities
- Utilize diagnostic feedback from assessment tools to modify unit and lesson plans
- Foster a classroom environment conducive to learning and appropriate for physical and social development of students
- Create opportunities for students to assume responsibility for and be actively engaged in their learning
- Conduct and maintain ongoing assessments of student achievement and behavior, both formative and summative, using appropriate assessment instruments and methods
- Use technology to strengthen the teaching/learning process
- Keep unit and lesson plans informative and electronically maintained and updated in a timely fashion
- Classroom Management

Requirements:

- Bachelors or Masters degree
- NC Teacher License in Exceptional Children
- Experience preferred
