Sarah Taylor grew up in Garner, North Carolina. Her mom used to read to her every night before bed. Her love of stories continued to grow as she got older and she went from reader to writer. Her goal is to share her love of reading and writing with future generations!

She received her B.A. in English from Meredith College. She previously worked at East Wake High School, where she taught English IV, English IV honors, and yearbook.

Ms. Taylor is a geek. In addition to being a fan of Star Wars and Doctor Who, she also loves musical theatre. In fact, she is known to make obscure theatre, Star Wars and Doctor Who references with no warning. Over the course of her life, she has read over 900 books and does not plan on stopping any time soon. If you need a book recommendation, let her know!
